Firemen's Ball.

The ball given by Fire Company, No. 1, of this city, at the opera house last night, was quite a success being very largely attended by our leading Mexican people. Quite a number from Matamoros were present also. The Anzaldua band played for the dancing. The program included twelve numbers. The success of the young men of the company in giving a ball indicates that they have executive ability and energy, and gives hope that as firemen they will be equally successful.

Those who had charge of the entertainment were Messrs. Eugenio Bautista, W. A. Craft, Policarpo Torres, Modesto Adame, V. Fernandez, jr., Genaro Padron, Rafael de los Santos, Francisco Buitron, Geo. Champion, J. E. Villareal and J. G. Captu.

An address upon the inauguration of the company was delivered, at the opening of the entertainment, by Sr. Macedonio Ramirez Prieto.

BRIGHT'S DISEASE

The largest sum ever paid for a prescription, changed hands in San Francisco, Aug. 29, 1902. The transfer involved, in coin and stock \$112,500, and was paid by a party of business men for a specific for Bright's disease.

They commenced the serious investigation of the specific Nov. 15, 1901. They interviewed scores of the secured and tried it out on its merits by putting over the three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven per cent of the test cases were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address John J. Fulton Company, 420 Montgomery St. San Francisco, Cal.

DEAFNESS CANNOT BE CURED

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's catarrh Cure. Send for circulars free. F. J. CHENEY, & Co., Toledo, Ohio. Sold by druggists 75c. Hall's Family Pills are the best.

No Time to Lose

You cannot afford to disregard the warnings of a weak and diseased heart and put off taking the prescription of the world's greatest authority on heart and nervous disorders—

Dr. Miles' Heart Cure.

If your heart palpitates, flutters, or you are short of breath, have smothering spells, pain in left side, shoulder or arm, you have heart trouble and are liable to drop dead any moment.

Major J. W. Woodcock, one of the best known all operators in the country, dropped dead from heart disease recently, at his home in Portland, Ind., while mowing his lawn.—The Press.

Mrs. M. A. Birdsall, Watkins, N. Y., whose portrait heads this advertisement, says: "I write this through gratitude for benefits I received from Dr. Miles' Heart Cure. I had palpitation of the heart, severe pains under the left shoulder, and my general health was miserable. A few bottles of Dr. Miles' Heart Cure cured me entirely."

Sold by all Druggists.

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

THERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded

Mrs. Laura S. Webb.

the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

A million suffering women have found relief in Wine of Cardui.
